Welcome to our Escorted Series of Tours
encompassing The Masters 2022.

Travelling deep into Georgia to witness the Masters is a great idea but even greater is taking the time to add on one or more modules to enhance your experience playing at some of the world's best golf destinations.

Our Golf Tours are not about volume but all about a quality experience with like-minded enthusiasts – small enough to dine together and flexible enough to meet your needs whether you play golf or not. Stop for a coffee – you bet.

Choosing us is critical because we have been to these locations on numerous occasions - we know our way and we love it. We know how the Masters works, we know all about Pinehurst, Scottsdale and Vegas. They are all amazing in their own ways but combined they are simply awesome with a perfect balance. We invite you to read through our options and consider adding one or more extensions to the Masters experience. It is envisaged some guests will take the entire 18-night mega golf experience. Bring it on.

As a golfer it must be done and now is the time.

VOYAGES.GOLF

After landing at Phoenix Airport, we head north on the 101 Freeway to our home for the next 5 nights and what a home this is at the JW Marriott Camelback Inn Resort & Spa. This 5-star luxury retreat is located close to Camelback Mountain in the Sonoran Desert, yet not far from other golf courses and the town of Old Scottsdale.

On site there are two 18-hole courses, one of which we play to ease our way into the area, a tranquil day spa and various on-site dining experiences – all with an outdoor adobe desert theme. The rooms here are exceptional, so sit back and savour the moment as we put Augusta behind us with great memories and forge our way into some serious golf.

Scottsdale, Arizona

- Mon 11th April On arrival from Atlanta we transfer to our accommodation, the **JW Marriott Camelback Inn Resort & Spa** for five nights. Welcome drinks and snacks are at the bar after a day travelling.
- Tue 12th April After a hearty breakfast we play 18 holes on the onsite **Camelback Ambiente** course. Set amongst the rolling foothills of the nearby mountain you will get to feel desert golf in action and it's no different – you need to stay on the fairway! Afterwards a late lunch and drinks in the club house will do the trick. Tonight, we head for Old Scottsdale for dinner – suggestions will be offered onsite. Mexican springs to mind considering our location.
- Wed 13th April Today we head off on our first expedition to our farthest golf experience at **We Ko Pa**. Set in a valley near Fort McDowell around 35 minutes drive from home-base We Ko Pa has two magnificent courses; the Cholla Course (jumping cactus pronounced; choya) or the Saguaro course (tall cactus pronounced; sawaro). With views across the McDowell Mountains the courses are very well presented offering a peaceful and challenging desert foray – a true desert golf experience. The evening is free to relax.
- Thu 14th April Quality golf keeps presenting itself so well in this area with well over 100 courses. Today we head north to **The Boulders** around 30 minutes drive. Magnificently strewn granite boulders create natural hazards you least expect! This complex is a semi-private country club with a north and a south course both designed by Jay Norrish. Well manicured fairways and bunkers mix it with saguaro, cholla and boulders not to mention a few water hazards. You may even see some wild creatures here – sit back in the bar afterwards and tell us what happened! A free evening to enjoy the local hospitality.
- Fri 15th April After breakfast it's off on our last excursion and many will say we saved the best till last at **Troon North** also around 30 minutes drive north of us close to Pinnacle Peak, a course that prides itself on fabulous service, excellent maintenance and a true desert golf experience. Look out for the bob cats and the cholla by staying on the grass. Playing here is a total golf experience and a wonderful way to complete our rounds in Scottsdale – you will want to come back. Tonight, its drinks at the bar and dinner as we regale another wonderful day of golf.
- Sat 16th April After breakfast you can transfer to the Airport saying farewell or you can stick with us as we head for the Grand Canyon and Las Vegas. Optional extra golf is available at Camelback Padre. If you are leaving us today to fly out – an airport transfer will be provided.

VOYAGES.GOLF

After our final round in Scottsdale today for those who continue onwards with us, we head for the mountain town of **Sedona** about a two hours drive north for a little respite leading into a big day following, visiting the Grand Canyon and onwards via Hoover Dam to sin city itself, Las Vegas. Golf is temporarily replaced by two days of sightseeing and exploration in the high desert.

The **Grand Canyon** is a sight to behold making the trip well worth the effort. **Hoover Dam** is equally impressive with an amazing construction amongst the rugged desert peaks.

Whether you have been to **Las Vegas** or not it's an ever-changing array of fine dining, great shows and endless casinos. The golf is also world class and we certainly play a couple of the best.

If your dream is to play the famous Shadow Creek, this can be arranged for a surcharge of US\$400 however expect a few extra bucks for tips and caddies (+\$120)
